

## MUSICAL BIOGRAPHY OF JEFF HARBO

**M**y musical career started in Boulder, Colorado. However, most of my subsequent work early on was centered out of the **Philadelphia** (where I was mentored by jazz legend, **Pat Martino**) and **New York** areas with some west coast dates such as a session in support of guitarist **Gabor Gzabo** and an appearance on the "**Midnight Special**" television show with **Philadelphia International/Columbia** recording artists **People's Choice** .and most recently played in support for the "**Living Legends of the Blues**" television special. I am well experienced working in the southeast and am proficient in the following musical genre: electric and acoustic blues, country, southern/classic rock, alternative, fusion/acid jazz, electronica and have recently started doing production work.

Performed and Recorded under the Following Names: **Jeff Simmons, Jeff Davis, Jeff Black, Chokmah, Jeff Davies, Jeff Love, Jeff X, and Enrico Borgasias**

The Following is a Partial List of Artists and Acts from whom/which I Drew Income:
